Market Operations.

Tents – All vendors are required to have their own tent (10 x 10 EZ-up or equivalent) set up by 8:40 each Saturday morning. Tents must always be safely secured from unexpected weather events with a minimum of 20 pound weights securely attached to each leg.

Stall Appearance – It is the responsibility of individual vendors to maintain a clean and healthful condition within their assigned area and to leave that area free of debris. Products should be displayed in an attractive manner. Vendors should have a clearly visible sign designating the name of their farm/business. Booths must be occupied by the vendor or a vendor representative at all times.

Vendor Product Disclosure – Vendors shall truthfully represent their products and operations. Because type of product and cultural practices are important to some customers, we encourage each produce vendor to post a description of growing practices, product inputs, and/or sourcing practices.

Parking – During operating hours on Saturday mornings, vendors must park all vehicles in a public lot outside of the market area. Vehicles may not be moved into or out of the market booth area during operating hours.

Behavior – Inappropriate language or behavior, profanity, or other harassment or abuse by a vendor or participant toward another vendor or participant, employee, or customer of the market is grounds for immediate and permanent expulsion from the market.

Pets - Due to health-related concerns, vendors are not allowed to bring live animals to their booths, with the exception of certified service or guide animals.

Taxes - The City of Clarkesville is not responsible for product liability or the paying of sales taxes for individual vendors. This responsibility lies with the individual vendors.

Note:

Any persons or vendors arriving to sell without following the necessary guidelines will not be allowed to sell and will be asked to leave immediately.
