The Clarkeville Business & Community Association (CBCA) is made up of local business owners, employees, property owners and individuals interested in serving downtown Clarkeville and insuring the business health of the community. CBCA has a lengthy and rich heritage of protecting and encouraging business and tourism in downtown Clarkeville. CBCA is supportive of, but in no way connected to, any city or county governmental agency or department.

Members and non-members attend monthly meetings (3rd Tuesday of each month except December) at different locations in an effort to stay connected to and be supportive of all businesses in Clarkeville. Officers are elected each January by the Membership and dues are paid annually. Membership Applications are available and dues are set at \$50.00 for a Business Membership and \$15.00 for an Individual Membership.

CBCA Membership dues are combined with the proceeds of periodic fundraisers and used to develop/produce items and projects that further the cause of local businesses and community spirit. This includes promotional pieces, events and advertising. Members determine specific needs and consider the funding of relevant projects/events from other organizations. Following is a partial listing of projects created and/or funded by CBCA :

CBCA serves as a Guardian for local businesses - fostering relationships with City Government, Better Hometown and other organizations to insure that the Business "voice" is heard. CBCA serves as a conduit for ideas, events and promotions that will compliment downtown businesses. And, CBCA serves as a support system for local businesses through meetings, programs, networking and regular communication. Our goal is to have every business in Clarkeville represented as we move forward in service to this great community. Together we can accomplish much!
