Agenda Item #6: Commission Chairman Stacey Hall, County Manager Phil Sutton, and Sheriff Joey Terrell to address the Council regarding the need for a new jail facility.

Mr. Sutton and Mr. Hall told the Council that they had completed needs analysis for the facility to see what was best to do: nothing, renovate, or new build. Doing nothing would not fix the problem of overcrowding and violations. To renovate was not feasible due to the cost and not built for expansion. New would cost \$31,628,143.00. Citizens will be able to vote if they want to float bonds to pay for the facility at the November Elections.
